## **CLUB UPDATE ON COVID-19 (CORONAVIRUS)**

**March 24<sup>th</sup>, 2020**

Parents, Players, Sponsors, Spectators, and Partners,

THANK YOU for being a part of our association. The Arkansas State Soccer Association is extending the suspension of play until April 17<sup>th</sup>, 2020. We are in daily contact with the State and the communication chain has been timely and reliable.

As a club, we are prepared to finish our game schedule, even if we must use the month of June to do so. We have already formed a condensed five-week game schedule utilizing week nights and a two game per week format to make sure all children get the opportunity to play a full season of games.

We will notify each upper age group travel coach of season changes, and new summer tournament opportunities as they are presented to us.

We will continue to update our club website, social media accounts, and email as additional information becomes available. We have never dealt with a situation like this before in our club. We want to make sure this situation is handled properly and given the correct amount of attention and weight.

Thank you for your understanding and patience.

Sincerely,

*Nate Harrison*
